Town Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Jefferson in the County of Coos in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Jefferson Town Hall in said Jefferson on Tuesday, the tenth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to raise the sum of \$238.26 and receive the sum of \$1,588.38 from the State for Town Road Aid.

4. To see if the Town will vote to raise the sum of \$120.87 for advertising in cooperation with the White Mountains Region Association.

5. To see if the Town will vote to rescind the vote of the Town meeting of 1948, in regard to raising \$500.00 for the Whitefield Airport and return the money to the General Fund.

6. To see if the Town will vote to allow the Selectmen to administer or dispose of any real estate acquired through Tax Collector's deeds.

7. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

8. To see if the Town will vote to allow the Selectmen to distribute the inventory blanks at the time of taking inventory.

9. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 23rd day of February, in the year of our Lord nineteen hundred and fifty-three.

COLEMAN D. KENISON,
FORREST W. INGERSON,
KENNETH S. REED,

Selectmen of Jefferson.

Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Jefferson, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 10th day of March, 1953, at 1:00 o'clock in the afternoon to act on the following subjects:

1. To choose a moderator for the coming year.
2. To choose a clerk for the ensuing year.
3. To choose a member of the school board for the ensuing three years.
4. To choose a treasurer for the ensuing year.
5. To determine and apppoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of agents, auditors, committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose agents, auditors, committees, in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To transact any other business that may legally come before this meeting.

Given under our hands at said Jefferson this 15th day of February, 1953.

MARY REED,
PHYLLIS KENISON,
CLINTON McINTIRE,
School Board.

* The starred items are required by law to be raised as determined by the proper authorities. The district determines the salaries of the district officers. The supervisory union board decides the local share of the superintendent's salary and other union expenses. The State Treasurer reports the amount of the per capita tax. The retirement board assesses the amount for the teachers' retirement.

Report of Superintendent

*To the Superintending School Committee and the
Citizens of the Jefferson School District:*

Foreward

In making this report I would like to depart from a practice which has been used for several years. I shall quote two brief paragraphs and give the author and date of each article. It has seemed to me that some times, we of this generation, are unwilling to admit that things have changed. We are inclined to remember the "good old days". I hope that as you read the following paragraphs you will ponder the contents and especially note the date when each was written.

"It seems to me that the cardinal defect of modern education systems is, that they demand too much from their victims; they bind down the weary brain to the study of half a dozen ISMS and a score of OLOGIES, until a smattering is obtained of many branches of knowledge, but a profound acquaintance with none. Now-a-days we produce few scholars, but a host of elaborate little dunces!" This was written by H. W. Davenport Adams sometime prior to 1886.

"New materials and new inventions have now transformed our society into its final phase, for scientific inventions can take us only a little further" is the statement attributed by the U. S. Commissioner of the Interior in 1875.

To live solely in the past is a great mistake. The changes that are going on around us call for an alert state of mind and flexible policies whether it be in the school of life or the life of school.

Enrollment and Attendance

There are, at this writing, 103 enrolled at the Hill School. This is an increase of three over the corresponding period for last year. There are 30 in grades 1-2, 20 in grades 3-4, 34 in grades 5-6 and 19 in grades 7-8.

The percentages of attendance were rather low last year. The Meadows School with 96.34 was the only one which came near the 97 per cent which is considered worthy of special commendation. There were 67 cases of tardiness for the school year. Mrs. Carlisle's room had the best record with three and Mr. Madore's the poorest with 37.

Buildings and Equipment

The Hill School is in fair condition considering the age of the building. The Meadows School was closed. During the summer months the usual minor repairs and improvements were made. The building was thoroughly cleaned.

No noteworthy additions were made to the equipment during the past year. The most significant change in the text book field was the adoption of a new arithmetic series and a change to the newer edition basal reading program in grade 1.

The Hill School is fast becoming inadequate to meet the needs of a modern educational program. Serious thought is being given the future school house needs of the community.

Tuition

There were, at the opening of school in September, 42 enrolled at Lancaster High School. This represents a slight gain over the preceding year. Of those at Lancaster, four are Seniors, eight are Juniors, 12 are Sophomores and 18 Freshmen. With but four in the 8th grade at the Hill School it would seem as though the number of tuition pupils would remain approximately the same for the coming year. The Lancaster High School tuition rate for 1952-53 is \$200.00 per pupil.

School Calendar

It is proposed that the School Board adopt the following school calendar for 1953-54:

First Term (71 days)

September 9, Wednesday, School Opens

November 25, Wednesday, Closing 12:30

November 26, 27, Thanksgiving Recess

December 18, Friday, School Closes

Second Term (35 days)

January 4, Monday, School Opens

February 19, Friday, School Closes
Third Term (40 days)
March 1, Monday, School Opens
April 16, Friday, Closes 12:30
April 23, Friday, School Closes
Fourth Term (34 days)
May 3, Monday, School Opens
May 31, Memorial Day, School Closes
June 18, Friday, School Closes
SCHOOL YEAR, 180 DAYS

Teachers

There were, during the year, a few changes in the teaching staff of the district. Raymond Chase, a graduate of the University of New Hampshire, replaced Normand Madore as principal at the Hill School and teacher for grades 7 and 8. Gwendolyn Jones, who formerly taught for many years in Dummer and Milan, was employed to replace Molly Phipps as teacher for grades 5 and 6. The other teachers are: Marguerite Ayling, grades 3 and 4 and Louie Carlisle, grades 1 and 2. The Meadows School was closed due to decreased enrollment in the district.

Notes on the Budget

The School Board's total budget for 1953-54 is \$31,725.87 as compared with \$33,780.50 for 1952-53. This represents a reduction of \$2,054.63. Higher costs for tuition and salaries have been anticipated in making up the budget. All other items in the budget remained at practically the same level. The largest single saving in the budget was made possible by reducing the number of teachers by one.

The total budget as voted by the district will be reduced by State Aid as well as any other receipts of the district.

No special articles have been introduced in the warrant.

Conclusion

It is always gratifying to note the regard that individual citizens and local organizations have for their school. Your interest in the well being of the entire school system, your support and your cooperation are most cheering.

I take this opportunity to again express my appreciation to the members of the School Board, parents, teachers and friends for the interest and support they have given to the school during the past year.

Respectfully submitted,
ALBERT P. KNIGHTLY,
Supt. of Schools.

Team Work Will Do the Job

Team work has won victories from time immemorial—for families, towns, cities, states and nations. Team work is the highest form and most democratic example of cooperation. Without team work, America and Americans would never have achieved the greatest that is theirs. We are all aware of its power and appeal. It is no less needed now than in the past.

Team work among those who live, work and recreate in and near the woodlands, is vital. There never was a time when our woodlands as a whole were in such precarious condition as they are now.

Since the hurricane, nearly 900,000 acres of slash have been added to our already sizeable slash problem. If we are to avoid unnecessary trouble with fire in our woodland areas everyone must co-operate—we must have team work. The remedy is simple—

YOU and YOU and You and You

MUST secure the required permit from your local forest fire warden before burning.

MUST use necessary precautions while burning or smoking in or near woodlands.

MUST not throw lighted cigars, cigarettes and matches from vehicles moving along highways. Otherwise YOU might well contribute to a costly and damaging fire. And don't forget that fire might destroy your own property!

REMEMBER—Only YOU and YOU and YOU can prevent fire!

Number of local fires 0; Number of acres burned 0; Number of permits issued 20.

EDMOND F. AYLING,
Forest Fire Warden

H. B. CHASE,
District Chief.
